

How to use Parent View <http://parentview.ofsted.gov.uk/>

Log in / Register

You need your email address and password for the simple log-in process. Just follow the on-screen instructions.

You will then be asked to fill in a 'captcha' before completing registration. This is where you read two words from the screen and enter them into a box. This is to prevent site misuse.

Parent View will send you an email with a link to activate your log-in.

Search

You can give your views about your child's school if it is a maintained school or an academy (including free schools), or a non-association independent school inspected by Ofsted.

To search for our school, just enter the name of the school (please enter West End Academy) and part of the address (road, city, town or postcode) in the search boxes when you are asked to.

Select your child's school from the search results, and check the school address is correct.

Questionnaire

There will be 12 questions to answer, for example, 'My child is happy at this school' with a choice of responses:

- Strongly agree
- Agree
- Disagree
- Strongly disagree
- Don't know

Use the 'Next' button to move to the next question. If you change your mind you can use the 'Previous' button to go back.

Once you have completed all 12 questions, click on 'Finish the survey' and the questionnaire is complete.
