Dear Parent/Carer,

Children in year 4 have been looking at charities and the role that they play in fundraising as their Religious Education this term. The children will be asked to carry out some voluntary work at home for 'coppers'; to show them how even small amounts of money can soon add up to an amount worth collecting for their chosen class charity (which is the Salvation Army).

I am asking if you could spare some small change for the children to bring in, when they have done some work at home- it does not have to be large amount but it would be beneficial for them to experience the process of fundraising and understand that small amounts soon add up.

I hope that you can help them to do this, thank you in advance.

Yours sincerely,

Mrs Storey
