Thursday 16th November 2017

Dear Parent/Carer,

We are looking to take a party of our current Year 5 pupils on a residential visit to Robinwood in either Todmorden or Cumbria, dependant on the number of children wanting to participate.

We have yet to book a date for the visit but the trip will take place during the next academic year when your child will be in Year 6.

The Robinwood Centre provides children with the opportunity to take part in a range of sporting and recreational activities, such as canoeing, archery, climbing and raft building! In addition, your child will benefit from having the opportunity to develop some independence in different surroundings.

Dependant on the date of the visit, we expect the residential to cost between £150 - £190. This price has been subsidised by the school, so you will only have to pay for the cost of the accommodation and activities.

You will be able to pay in instalments and we would be happy to discuss payment arrangements with individual parents to enable you to budget for your child to attend.

If you would like your child to take part in the residential visit, please complete the attached reply slip and return to school ASAP.

Yours sincerely,

Mr C Johnson
Headteacher
