INSET Day

In the next academic year, the children will return to school on Tuesday, 7th September. Monday, 6th September will be a training day for teachers and we will be looking at new ways to raise standards in the classroom. We will also be working with Waterton Academy Trust to make sure more of our children make better progress next year.

Multiplication Tables Check

Well done to all the children in Year 4 who recently took their times tables tests on the computer. The children have made pleasing progress with their mental arithmetic this year. The results will be attached to the end-of-year report that we send out in July. Our children must keep practising their times tables and use their knowledge in others areas of mathematics.

Special Visitor

The teachers are continuing to give our children the chance to learn about different jobs. Recently, the children in year 4 had a visit from a paramedic who works for the NHS. During the visit, the children learnt about the different jobs that a paramedic might do. The children discovered that there are lots of different jobs within the ambulance service. The visitor also talked about the role of a volunteer helper and he explained that these people support the NHS in times of need. After the meeting, Levi said, "I would like to be a mechanic for the ambulance service because it is an important job for the NHS!" Jaxson added, "I like how many of these jobs care for people. We learnt to look around for signs of danger before approaching someone to give them first aid."

Attendance

The table below shows the attendance for each class last week. Well done to upper foundation for having the highest attendance. Each week, our whole-school attendance should be at least 96%.

Upper Foundation	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Whole School
97.24%	89.62%	91.85%	96%	87.78%	93.33%	96.3%	93.2%

Twitter

Please remember to continue to check our Twitter account for the latest information about the academy. This week, our teachers shared examples of work that the children have recently completed across the curriculum.

New Website

The school's website has been redesigned. It now looks the same as the websites of the other schools that are working in partnership with Waterton Academy Trust. The website address hasn't changed. We will update the website regularly to share important information with you.

Thank you for your continued support.

Yours sincerely,

Mr C Johnson
Headteacher
