### **Welcome Back**

I hope you all had a lovely half-term and you are now back into the swing of school again!

### **Achievements Assembly**

Well done to the children who received achievement certificates in our first special mentions assembly this half-term. The names of the children who have been given a positive leaf will continue to be displayed on the rainbow tree in the reception area. Well done to the children who also received a special certificate for their fantastic contribution to the Top Team.

### **Library**

I was pleased about how many children regularly changed their library books last half-term. The dates when your child will visit the library this half-term are given below. Please ensure your child brings their library book back to school on this date so that they can change it and take out a new book.

Year 1	Tuesday 16 <sup>th</sup> November, Tuesday 30 <sup>th</sup> November and Tuesday 14 <sup>th</sup> December
Year 2	Wednesday 17 <sup>th</sup> November, Wednesday 1 <sup>st</sup> December and Wednesday 15 <sup>th</sup> December

### **Attendance**

The table below shows the attendance for each class for the last week before the holidays. Well done to years 3 and 6 for having an attendance of more than 99%! Each week, our whole-school attendance should be at least 96%.

Upper Foundation	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Whole School
96.21%	92.59%	92.4%	99.26%	94.78%	96.15%	99.63%	95.92%

### **Leeds United Foundation**

This term, some of our children in years 3 and 4 have been taking part in an after-school club with the help of the Leeds United Foundation. The children have been learning new football skills with a qualified coach. Back in the classroom, they have been learning more about the role of a sports analyst. The children have learnt that this job involves looking at different types of graphs and charts such as pictograms and bar charts. The children have been using their mathematical skills to interpret football data such as the number of passes that have been made in a match. Later this term, the children will collect their own data from a game before presenting it in a graph to the rest of the group. I look forward to seeing some of their presentations.

### **PE Kit**

Children must bring the correct PE kit to school every week. When doing outdoor PE, children must wear trainers for their own safety. As the weather is getting colder, please make sure that your child always brings warm clothes for their outdoor PE sessions. Children are allowed to wear tracksuits for outdoor PE. Tracksuits should be dark coloured, ideally navy or black.

Thank you for your continued support.

Yours sincerely,

Mr C Johnson  
Headteacher
