### Year 6 SATs

Well done to all the children who completed their Year 6 SATs this week. The children have worked extremely hard and have all done their best! We will get the results in July and will be informing parents when they receive their child's report.

### Multiplication Test

The children in year 4 will take part in an online multiplication test in June. Children should know all of their times tables by the end of year 4. From Year 5, children need to use their times tables in many other areas of the mathematics curriculum. Parents of children in year 4 should have received information about the test. If you need any more information about the test, please make an appointment to speak to Miss Allan. She can also give you advice on how you can help your child to learn their times tables.

### Reading

Recently, parents of our younger children received an information sheet outlining what their child will learn in their phonics lessons this half-term. The sheet also explained how you can support your child at home with their early reading. Please keep going over the sounds and tricky words that your child has already been taught. Please also try to hear your child read for at least ten minutes a day. If you haven't seen this information, you can find it under the "Letters to Parents" section of the school website.

### Attendance

The table below shows the attendance for each class last week. Well done to year 5 for having an attendance of more than 98%! Each week, our whole-school attendance should be at least 96%.

Upper Foundation	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Whole School
94.58%	95.54%	92.31%	93.3%	96.74%	98.08%	95.37%	95.08%

### Year 2 SATs

Next week, the children in Year 2 begin their SATs. I know the children have been working extremely hard all year and I am sure they will do well in these tests. Please ensure all our Year 2 children are in school ready and eager to learn, to make sure they do their best.

### Twitter

Please remember to continue to check our Twitter account for the latest information about the academy. Last week, our teachers shared examples of work that the children have recently done in class.

Thank you for your continued support.

Yours sincerely,

Mr C Johnson  
Headteacher
