Multiplication Test

Well done to all the children in year 4 who completed their multiplication test on the computer this week. The children have made fantastic progress with their times tables this year. The results will be attached to the end-of-year report that we send out in July.

Termly Assessments

This week, many of our children have completed formal tests in reading, maths, grammar and spelling. The children worked hard on these assessments and should be proud of what they achieved. Next week, the children will bring their assessments home. If you haven't received your child's assessment by the end of the week, please contact the office to speak to their class teacher.

Attendance

The table below shows the attendance for each class last week. Well done to year 4 for having an attendance of more than 96%! Each week, our whole-school attendance should be at least 96%.

| Upper Foundation | Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 | Whole School |
|------------------|--------|--------|--------|--------|--------|--------|--------------|
| 92.33% | 92.86% | 92.8% | 92.41% | 96.52% | 82.69% | 94.81% | 92.02% |

Reading

We recently sent a letter to the parents of our younger children. The letter explains what your child will learn in their phonics lessons this half-term. The letter also gives information about how you can help your child at home with their early reading. Please keep going back over the sounds and tricky words that your child has already learnt. Please also try to hear your child read for at least ten minutes a day. If you haven't seen this information, you can find it under the "Letters to Parents" section of our website.

Achievements Assembly

Well done to the children who received achievement certificates in our first special mentions assembly this half-term. The names of the children who have been given a positive leaf will continue to be displayed on the rainbow tree in the reception area. Well done to the children who also received a special certificate for their fantastic contribution to the Top Team.

MAT Olympics

On Wednesday, sixty children from our school took part in the MAT Olympics hosted by Waterton Academy Trust. The children took part in ten different sporting activities and earned points based on their performance. Congratulations to year 6 for finishing in first place. Well done to everyone who competed and represented the school!

Thank you for your continued support.

Yours sincerely,

Mr C Johnson
