Dear Parents and Carers,

I am writing to you to tell you about the exciting developments in the early years provision here at West End Academy. Waterton Academy Trust value the early years education of our youngest children and as such are investing heavily in further developing the pre-school provision within our schools.

Waterton Pre-Schools:

- offer high quality early years education and care
- extend the offer of provision and provide flexibility to parents
- ensure that our children are nurtured and supported to develop and learn the skills they need to be ready for the next stage of their education

Building on the success of our first two pre-schools, we are proud to be opening The Woodland Pre-School in September, offering early years education and care for children aged 2 – 5, from 7:30 am to 6:00pm, Monday to Friday all year round.

We offer competitively priced childcare to meet your needs around your work or study commitments including funded hours for children eligible for 2 year old funding, the 15 hours universal funding and the 30 hours extended funding: www.childcarechoices.gov.uk

If you are interested in booking a place for your child please complete an application form, available from the school office and return it to the office or email me at the above email address.

Further information is available on our website: www.watertonpreschool.org

I look forwards to welcoming your family to The Woodland Pre-School.

Kindest regards,

A handwritten signature in blue ink that reads 'Becky Cook'.

Mrs Becky Cook
Executive Headteacher
Waterton Pre-Schools
