Year 6 SATs

Well done to all the children who completed their Year 6 SATs this week. The children have worked extremely hard and have all done their best! We will get the results in July and will be informing parents when they receive their child's report.

Multiplication Test

The children in year 4 will take part in an online multiplication test in June. Children should know all of their times tables by the end of year 4. From Year 5, children need to use their times tables in many other areas of the mathematics curriculum. Parents of children in year 4 should have received information about the test. If you need any more information about the test, please make an appointment to speak to Miss Allan. She can also give you advice on how you can help your child to learn their times tables.

Library

It is great to see so many children using the library every fortnight. When the children visit the library, they tell their classmates about the book they have been reading. They also suggest why someone else should read it. Last term, the children got better at recommending books and we will continue to work with them on this skill. Some children gave fantastic recommendations. As a reward, they got to buy some new books for our library. These children are Bradley Gorton, Amelia Clarkson and Oliver Todhunter. The children have already started to read and enjoy the books they have bought. More children will get the opportunity to buy some books for our school this term.

Attendance

The table below shows the attendance for each class last week. Congratulations to year 6 for having an attendance of 100%! Each week, our whole-school attendance should be at least 96%.

| Upper Foundation | Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 | Whole School |
|------------------|--------|--------|--------|--------|--------|--------|--------------|
| 96.5% | 97.8% | 97.5% | 96.9% | 94.2% | 94.8% | 100% | 96.5% |

Year 2 SATs

Next week, the children in Year 2 begin their SATs. I know the children have been working extremely hard all year and I am sure they will do well in these tests. Please ensure all our Year 2 children are in school ready and eager to learn, to make sure they do their best.

Free School Meals

If you think your child may be eligible for free school meals, please come and get a form from the office. There are many benefits that your child could be missing out on if you don't apply.

Thank you for your continued support.

Yours sincerely,

Mr C Johnson
