INSPIRE Mornings

Thank you to all the parents who came to our INSPIRE mornings last week. We had a fantastic turnout! I am glad you found the session helpful in supporting your child at home. The feedback we received was very positive. There will be more opportunities to work with your child in class in the autumn term.

Extra-Curricular Clubs

More than 85% of our children have attended at least one extra-curricular club since the start of the academic year. We recognise the importance of these clubs as it allows our children to develop their interests and talents in different areas of the curriculum. Mr Jackson, the deputy head, is still looking to offer more clubs before the end of the academic year. We hope even more children will go to at least one of these extra-curricular sessions. We will send parents more details about these clubs shortly.

Attendance

The table below shows the attendance for each class last week. Well done to year 1 for having attendance of more than 99%! Each week, our whole-school attendance should be at least 96%.

Upper Foundation	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Whole School
93.7%	99.3%	98.3%	93.8%	89.3%	83.3%	97.3%	93.8%

Multiplication Test

As part of national testing, the children in year 4 will have their multiplication skills assessed during the weeks beginning Monday, 5th June and Monday, 12th June. Please can you make sure that your child is in school every day during these weeks so we can complete these tests.

Twitter

Please remember to continue to check our Twitter account for the latest information about the academy. This week, our teachers shared examples of work that the children have recently completed across the curriculum.

Have a lovely half-term and see you all on Monday 5th June. Thank you for your continued support.

Yours sincerely,

Mr C Johnson
Headteacher
