Tuesday 9th January 2024

Dear Parent/Carer,

I am offering your child the opportunity to take part in a football data-analysis after school club with Leeds United Foundation for Year 3 and 4. The club will take place on Wednesday 17th January 2024 and shall run for 8 weeks. Sessions shall take place from 3:15- 4:20pm.

The aim of the club is to engage children in maths through a sporting (football) context. Each week, the sessions shall split into two with the first half allowing the children to work with the Leeds United coach on improving specific football skills before the children shall then go into the classroom with myself to use their footballing experiences from the session to engage them in relevant maths problems.

It is hoped that the selected children will have the opportunity to improve both their football skills and make progress in maths with a focus on the data-handling strand of the subject. This club shall also expose the children to future career opportunities in sport, which they have perhaps not yet thought of.

Your child will need outdoor PE kit.

Numbers for the club are limited and the return of this slip will not guarantee your child's place in the club. Confirmation letters/texts shall be sent before the start date of the club.

Yours sincerely,

Mr S Jackson
Deputy Head

Reply Slip – Football Data Analysis After School Club

I give my child permission to attend the football data-analysis afterschool club on Wednesday 17th January 2024
