Reception Baseline

Well done to our children in reception who recently took their baseline assessments. These short tests, in English and Maths, are compulsory and done on a computer. The tests have helped Miss Lodge to get to know the children in reception better. They will also help the adults who work in reception to target the support the children need this year.

The Department for Education (DfE) does not share the test scores. The DfE will use these scores to help measure the children's progress after they have done their year 6 SATs. We will receive a set of statements from the DfE. These statements will show how each child performed in their assessments. If you would like a copy of your child's statements, please speak to Miss Lodge.

Reading

This year, we are using a phonics programme called Little Wandle to support our youngest children to read. You can find out more information about Little Wandle by clicking the link below:

<https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/>

This website explains how we teach phonics in school. There are also videos for you to watch. These videos show the sounds that your children will be learning in our Reception and year 1 classes. Please keep going over the sounds and tricky words that your child has already been taught. Also, try to listen to your child reading aloud their Oxford Reading Tree book for at least ten minutes a day.

If you have any more questions about Little Wandle, please speak to your child's class teacher.

Attendance

The table below shows the attendance for each class last week. Well done to year 5 for having an attendance of more than 98%! Each week, our whole-school attendance should be at least 96%.

Upper Foundation	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Whole School
93.6%	93.3%	95.3%	97.9%	95.6%	98.4%	89.7%	94.8%

Website

We are currently updating our website to take account of the new academic year. This week, updated policies can be found under the "policies" section. Please continue to visit the website for the latest news and I will let you know when new sections are ready.

Extra-Curricular Activities

We are committed to offering our children the chance to learn outside the classroom. We believe your child will benefit from taking part in different activities. Therefore, we will be running boxercise, cross-country and Makaton clubs this term. More clubs will be announced later on this year. Please look out for more information about this.

Medical Appointments

If your child has a medical appointment during school time, you must give us written confirmation so we can keep it on our records. If you need any more information about this, please contact your child's class teacher.

Thank you for your continued support.

Yours sincerely,

Mr C Johnson
Headteacher
