

CHILDREN'S COSTUME

As part of the experience, the museum recommends that the children come dressed in the typical 1940s outfit of an evacuee. Here are some ideas for this below.

Boys would normally have worn:

- Long socks (grey or dark coloured)
- White shirt
- Tie, if wanted
- Jumper - sleeveless or other
- Dark coloured shoes or school pumps
- Hair parted to the side.

Girls would normally have worn:

- Dark coloured blouse & skirt
- Long white or grey socks
- Dark coloured shoes
- Plain woollen cardigan
